REMEMBER YOUR ROOTS

A Message from Robert Shiver

Years ago as a high school student who graduated with a small class of 26 people, I never really dreamed of the opportunities I would be granted. This month I'm reminded that oftentimes in order to appreciate what we have, we need to take a look back at where we've come from.

Our CEO and President, Ron Powell, often shares that he grew up poor in rural south Georgia and started his career in 1989 as a college dropout. He would drive six hours one way just to go to work and was staying in motels 3-4 nights a week just to go home to his mobile home for the weekends. Now, over 30 years into his insurance career as the owner of Senior Life, he often reminds us that the secret isn't your background or your education. The secret is what's inside your heart and how bad you want what you're working toward.

The most successful people are typically the ones that stick at it and stay at it the longest. At Senior Life that drive starts at the top with Ron Powell.

As Thanksgiving 2021 dawns, remember where you've come from and all the opportunities that are ahead. You can be successful at anything you put your mind to as we close out this year.

All the Best,

Robert Shiver

A NEW KIND OF SCOOP

This month we featured our Scoop Cover Agent in a brand new way! We published a series of videos and graphics on all of our social media channels, as well as a full video on our YouTube where you get to hear Jamal's story, why he chose Senior Life, and some advice and encouragement he would give to other agents.

Be sure to go check out all of this phenomenal content on our social channels!
