I have been read all questions and answers, and I affirm that they are true to the best of my knowledge and belief. I understand that for this insurance to go into effect the Proposed Insured's health condition must remain as described in the application at the time the first premium is honored by the bank and the policy is issued. I also understand that Senior Life Insurance Company will rely on my answers above in issuing any life insurance hereunder, and the agent does not have the authority to waive or modify any question or answer. Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information or conceals, for the purpose of misleading, information concerning any fact material thereto commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.
