I have been read all questions and answers, and I affirm that they are true to the best of my knowledge and belief. I understand that even if I have paid a premium with, prior to the approval of, this application, I have not purchased immediate insurance coverage. I understand that the insurance applied for shall not go into effect until the first premium is honored by the bank, the application is approved for the class of risk and amount applied for, and the policy is issued, and only then if the Proposed Insured's health condition remains as described in the application at the time. If any of the above conditions are not met, the liability of the Company shall be limited to the return of any amount paid. Pursuant to the requirements of California Insurance Code §10115, the Company limits the amount for which it may be liable prior to the actual issuance and delivery of a life insurance policy to a maximum of fifty thousand dollars (\$50,000) (including life insurance and accidental death benefits). I also understand that Senior Life Insurance Company will rely on my answers above in issuing any life insurance hereunder, and the agent does not have the authority to waive or modify any question or answer. Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information or conceals, for the purpose of misleading, information concerning any fact material thereto commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.
